

Anomaly Language for FY25 Continuing Resolution

Notwithstanding any other provision of this Act, funds made available to the Department of Defense under this Continuing Resolution shall be allocated to the Congressionally Directed Medical Research Programs (CDMRP) at programmatic levels consistent with the Consolidated Appropriations Act, 2024 (Public Law 118-47). Such funds shall be used to support all research programs, peer-reviewed initiatives, and projects identified in the Statement of Managers (H. Comm. Print 55-008) accompanying P.L. 118-47, maintaining the established management and execution structures, and ensuring the continuation of all congressionally directed priorities without interruption. The Secretary of Defense shall obligate and expend funds in a manner that preserves program continuity, including adherence to all specified funding allocations and research priorities outlined on pages 311-314 of H.Comm. Print 55-008.
